

The Vicarian (TV) Interview of the week.

Andy Lukas - Before

This week TV interview the forgotten man of OIRFC Andrew Lukas, better known as Dave's older brother and son of Andy Snr.

INTERVIEW:

TV - Mate it is a long way to London, thanks for spotting me the air-fare you must be making some good coin over here. Now why would anyone move to this cold, miserable sh#thole of a country ?

AL - Boggy you know I actually like warm beer, underperforming rugby teams, pale unhealthy skin, overpriced vindaloo and I am a staunch monarchist. Strange I know!

TV - I am not sure if you know it but Dave is now much more liked back in OIRFC than you ever where. When someone says "Zukes" - they think of him. How do you feel about that?

AL - Dave is a hoax, and his body can no longer being touched let alone bashed up in the front row. In my family everyone knows I am numero uno.

Jason Alexander

TV - I have heard you have take over from Jason Alexander as the new male face of Jenny Craig. Is this true?

AL - No. But I have lost a few pounds. I will send you a before and after photos.

TV - Don't you just itch for a game of 5th Grade at Old Iggies

AL - Oh Yeah. Like a bad case of irritable bowel syndrome. In fact I am heading back to Sydney next month (only bit of truth in this interview) and will scrub off the boots! GUARANTEED!

TV - OK I will let Angelo, Jack Hayes and Dave Bryant know - expect a phone call as soon as you touch down?

AL - Brilliant.

TV - Thanks for the interview. Any parting words of wisdom for you forgotten mates back at OIRFC?

AL - **WAAAAAAAAAHHHOOOOOO !!!!!**

TV - Mature as ever!
