OI I like a guy who has a good opinion of others. You seem to have a good opinion of yourself?

JW You bet! Mate I have actually prepared some questions I would like you to ask me. Here – I have written them down for you.

Note: Wardy then took over and started to interview himself. I just let him go.

JW 4th Grade is boasting a great backrow at the moment. Would you like to rate them.

JW Sure!. Michael Bailey – has a great record however getting a bit long in the tooth. I think his best years have been and gone 7/10.

James Ward – Look up Talent in the dictionary and there is a picture of me 9/10

Paul Bova/Lucas Baker – Young pups on the way up, I think they will only get better and better playing with guys like me 7/10

JW Who planted the Bear and painted your face?

JW I am not sure – I think it was on David Lukas however if I have this confirmed – LOOK OUT

OI *[I got one question in]* Mate you are joking. It is a well know fact that you are President of the David Straussman & Ted E Bear's fan club. That is your bear isn't it?

JW Yeah So what! *[Sob!]* Why do you guys always make fun of me. *[Sob!]* That bear is so funny I really don't care what you think. Come here teddy . . . yeah . . . give me a cuddle. . . yeah.

JW Are you a good drinker?
