Look at the aggression Shogo puts into his play. INSPIRATIONAL STUFF

OI	Most Inspirational Player?
TB	SHOGO! KI. KUCHI !!!!!
OI	Were you pissed off about missing out on selection in the “Dave Bryant’s Testimonial Team of the Century”?
TB	Dave who? Nah that “has-been” has just been floating around the club for years like he runs the place. I don’t like to reminisce!
OI	Favourite Restaurant?
TB	Tokyo Joes (for steak, seafood and sashimi)
OI	You were club Captain for about 5 years. What was the most amount of beers you were made to scull?
TB	The boys at Hawkesbury Ag gave me 6 schooners one night. I got them back by telling them a long winded joke about a Duck who visits a chemist.
OI	Did you have a little vomi after that?
TB	Nah, I think that was because of the Bus Trip home. Not sure if it was the rest of the beers, Trout dribbling on me or a combination of Sandy Thomas and Toby Tancred getting their gear off..... Definitely it was the sight of Tancred naked that did it to me . . oops here I go again just thinking about it.
OI	Could have been worse – Ever seen Angelo drive a bus.
TB	Yeah ! I agree we got off easy in the old days.
OI	Who has got better legs – you or Kelli?
TB	Definitely me – they are slightly longer but it is a very close call!
OI	You have been know for telling the old joke?
TB	Yeah Did you hear about the Duck that walked into a Chemist?
OI	Yep – Sorry mate got to go !
