The Alleged – Peter Grattan

AC Mr Grattan. I believe you are claiming to have played 200 games for Old Iggies this weekend? This is quite an achievement.

PG Yes – I have.

AC Just who has been keeping count of this historic milestone.

PG The Club keeps count.

AC No! Mr Grattan, Isn't it true that the club does not keep count and that it was YOU who have made this claim yourself.

PG I don't like where this interview is going. I am not a bad person. I just want a little bit of recognition from my club...is that a bad thing.

AC Our researchers spoke to Dave Bryant and do you know what he said when we asked if you had played 199 games

PG No

AC Well he was quoted saying "Fuc%ed if I know"

AC Isn't it true that you had a full season off with a busted jaw and that you have claimed that season in YOUR COUNT.

PG No. Look Anna I have documented every game. Here is a list of every game I have played and I think you will find it very accurate.

AC Ah ... What? ... This looks pretty good... Um? Um?... Well? Um? ... It looks like our researchers have got this wrong. Congrats on the milestone Or should I say **"CONGRATS – GRATS!"**

PG Thanks – you guys must be really struggling for stories. Where did you get this rubbish.

AC Some moron rang in under the alias of a "Boggy".

PG Say no more – Hey cheer up! How about I sing you a little sound the boys like on the bus? How about a little "Does your mother ride a bike?" or "Father Abraham had 7 sons"..... or "Is it a cock or is it a ball?"
