This week Old Ignatians (OI) Boggy Ward interviews Shogo Kikuchi

## “JAPANESE HARDMAN” – Shogo Kikuchi

OI Shogo ..... How the hell are you?

SK Ahhh very good Mr Boggy san.

OI I read in the Sydney Morning Herald you have been talking to the Waratahs?

SK Ahhh No Mr Boggy san. This is a lie I am a loyal Old Iggies player.

OI I know but Greg Crowden is a respected Rugby Commentator. I tend to believe him.

SK Ahhh no Mr Boggy san. I have not even read this so called article.

OI Really, well here is exactly what it said.

SMH “The Waratahs, relieved that they can lure overseas players, are sniffing around notorious Japanese hardman Shogo Kikuchi. We hear a Waratah delegation will shortly head to Ryde International Stadium to watch Shogo strike fear in opposing Sydney club packs”

SK Ahhh .... sounds like we may be able to negotiate a sizeable transfer fee, just like Sonny Bill?

OI I am sure there is someone in the club that knows Senator Graham Richardson! We could get him to negotiate?

SK Ahhh Yes Mr Boggy san. All I need to do is to sign on and then get injured.

OI Yeah I think we may be jumping the gun, How about we win a 5<sup>th</sup> Grade Premiership first. Surely you are confident going into next weeks Grand Final.

SK Ahhhh ... Yes I have complete confidence in Mr Difference san, Mr Fallon san, our Canadian born Mr Roderick san, Mrs Bryant & Kegogh sans as well as my all time favour Mr Broomy san.

OI No doubt about it Shogo.... You my friend are a great club man. Hey how is your wife? Last time I saw her she was singing the club song on your wedding night at the Harlequin Hotel.

SK Ahhhh ... Yes She is a huge supporter of the club. She sends her kindness regards.
