

INTERVIEW OF THE WEEK

The Vicarian (TV) Interview of the week.

Even JB did not work out last week's photo was not of Paddy O'Brien. However the owner of the bouffant did and he got stuck in the me and my journalistic integrity. This week TV gets ribbed by

Terry O'Brien (TWB)

INTERVIEW:

TWB - Boggy what is the story? How could you possibly think that was a photo of Paddy. He is a pretender, a joke and a lightweight. I should dress you up as a Mosman 5/8th and belt the bejesus out of you.

TV - Hey Hey Hey, settle down mate it was an honest mistake.

TWB - Honest mistake! You and your whole newsletter is a mistake.

TV - Hey! Hang on. I am suppose to do the interviewing. Who gave you the right to hijack my newsletter. Paddy was my school boy hero and I can interview whoever I like.

TWB - Mate I am sick of always being compared to Paddy. It's always Paddy this..... Noreiga that.... One Two..... One Two..... One Two Three. All he ever did was shadow box. Well while Paddy lies in his "Shadows," it was yours truly that got out and gave there last breath for the Old Iggies. Where was Paddy when those Mosman thugs belted Lettsy? Huh? where was he? Where was your hero Boggy?

TV - Ummm..... I cant say for certain. I just assumed . . .

TWB - Assumed what? He was hiding in his shadows! No where to be seen! Hiding! That's where he was. No where to be seen.

TV - Yeah..... Sorry mate.....Maybe I owe you and apology.

TWB - Yeah maybe I am overacting.....

TV - It's OK I cant believe I thought that was Paddy. Come on mate, give me hug!

TWB - Yeah..... But how GOOD WAS THAT FIGHT. My god I gave it to that guy. It was like the best uppercut I have ever given. It was like One Two..... One Two..... One Two Three!

TV - Yeah but what the hell was going on with your hair. You look like Beaker from the muppets!

It is such a good photo I am making that the new home page photo for the Vicarian Newsletter. www.oirfc.com.
