PLAYER PROFILE

This week Old Ignatians (OI) Boggy Ward interviews The Legend Les Kirkpatrick

The Kirk

k

The Kirk in his playing days

..... not really this was just a joke

..... it is actually Chris Busch

OI Mr Kirkpatrick it is a pleasure.

LK Young Boggy Ward - What were you sent here for?

OI Nothing ? I am here for an interview.

LK Don't play games with me Mr Ward, you're in trouble and you have been kicked out of class and sent to see me. So what have you done?

OI Nothing I swear!

LK Come on son, were you late? Hey maybe you didn't do your homework? Or did you get caught smoking?

OI Mr Kirkpatrick, I left school 20 years ago.

LK Ahhh of course, But you don't look as day over 18.

OI Well you haven't change a bit in 20 years either, but can I start with the interview!

LK Yes of course.

OI OK, you have been a great teacher, mentor and Rugby coach over the years, what would you say has been your biggest challenge?

LK Ahh Yes. Definitely teaching Mr Greg Easy Maths & Algebra. He really did not get it. All he thought about day and night was Rugby.

OI So how did you get him to understand?

LK I just started to relate every equation to Rugby.

OI What do you mean?

LK Well for example I would ask him to solve an equation like the following:

Where $x = 5$ point try and
 $y = 2$ point conversion
 $z = 3$ point penalty

How many points are scored in the equation:

$$3(x + y) + z$$

or

3 converted tries & penalty

OI Is there anything he couldn't understand?

LK Ohh yes. . Percentages! No matter what I did I could not get him to understand that $\frac{1}{4}$ of a football field was 25 metres and not 22.

1969 OIRFC REUNION: Friday 5th September 2008 - The Oaks, Neutral Bay.

The 1969 "Swig" of Vicarious Members

It has been 40 years, almost to the day, since that inaugural season culminating in 0 - 3 Loss to Whale Beach SLSC. So to celebrate that event the boys of 1969 caught up for a few drinks.

In attendance were a total of 40 old Iggies Players showed up for lunch/drinks including 11 of the 1st Season's team + Coach. They were:

Piggies: John Kouvelis (# 1) – Peter Cahill (# 5) – Ross Finley (# 6) – John Hamilton (# 7 Captain)

Ballerinas: John Tierney (# 10) Richard Brennan (# 11) Geoffrey Byrne (# 12) Denis Lynch (# 13) Tony Camphin (# 14) Paul Bisby (#15) Joe Brown (# 16)

As Rick Brennan so aptly put it:

"A pity we came second, but that wasn't really the point. The point was that by some miracle, what we started off is still going 40 seasons later, and that the little bastards are having as much fun as we did doing it".

John Kouvelis & Joe Brown

Mono Cahill. Is anyone listening?

A LASTING GIFT TO THE COLLEGE CHAPEL

Many would know the Riverview Chapel is undergoing a major renovation at the moment.

Vicarious Members of 2008 have generously donated the Stained Glass Window to the left.

Below – another *swig* of Vicarious Members

I have been saving this one.

Who is this sporting Spring's latest fashion attire?

ANSWER: Lee Levsen

1st CORRECT ANSWER: Guy Coleman

Yes.... I think it is fair enough to question Guy's sexuality?
